Dear Parent/Guardian of a Sophomore student:

Beginning with the class of 2006, all students must pass the California High School Exit Exam (CAHSEE) to qualify for a high school diploma. ALL SOPHOMORES MUST TAKE THIS TEST and the test information for this year is:

**Dates:** Tuesday, February 1st, for English/Language Arts and  
Wednesday, February 2nd, for Mathematics

**ALL STUDENTS ARE REQUIRED TO ATTEND BOTH DAYS**

**Time:** Arrive at 8:45 a.m. – testing will begin at 9:00 a.m. sharp on both days.

**The test is untimed, so students may take as long as they need, but students will begin finishing around noon.**

**Place:** Testing is available at all three Resource Centers – San Andreas, Amador and Tuolumne.

**All students must pass both parts of the exam.** If a student does not pass both parts of the CAHSEE in grade 10, they may take the test two more times in grade 11 and a further three times in grade 12, if needed. The students retake only the part of the exam not passed in previous tries. The make-up testing for the February 1-2, 2011 exams is scheduled for May 10-11, 2011.

Students should bring water to drink and a quiet activity (like reading or drawing) in case they finish early. Electronic devices (like cell phones) will be checked at the testing room door.

To prepare for the CAHSEE: Sample questions and other articles of interest can be found at the CDE web site: <http://www.cde.ca.gov/ta/tg/hs/>, and your student's mentor teacher has booklets and study guides available. Drop-in math tutoring and CAHSEE workshops are available at the San Andreas and Amador Resource Centers. Check the newsletter or website for more information.

If you have any questions, ask your mentor teacher, or call Anne Colman (ext. 2252) or Janice (ext. 2245) toll-free at 1-888-MTN-OAKS.

Thank you,

Janice Sewell
