HOME OF THE EAGLES

Dear Parent/Guardian of a Junior or Senior student:

Beginning with the class of 2006, **all students must pass both parts of the California High School Exit Exam (CAHSEE) to qualify for a high school diploma.** If a student does not pass both parts of the CAHSEE in grade 10, they may take the test two more times in grade 11 and a further three times in grade 12, if needed. The students retake only that part of the exam not passed in previous tries. According to our records, your son or daughter has not yet passed both parts of the exam. The information for the first CAHSEE test of the 2009-2010 school year is:

Dates: **Tuesday, November 9th, for English/Language Arts and
Wednesday, November 10th, for Mathematics**

Time: **Arrive at 8:45 a.m. – testing will begin at 9:00 a.m. sharp on both days.
The test is untimed, so students may take as long as they need, but students will
begin finishing around noon.**

Place: **Testing is available at all three Resource Centers – San Andreas, Amador and
Tuolumne – you must reserve your testing location with your mentor teacher.**

Subsequent test dates for 2009-2010 are:

February 1st and 2nd, 2010 -- English/Language Arts on Tuesday, and Math on Wednesday.

May 10th and 11th, 2010 – English/Language Arts on Tuesday, and Math on Wednesday.

Students should bring water to drink and a quiet activity (like reading or drawing) in case they finish early. Electronic devices (like cell phones) will be checked at the testing room door.

To prepare for the CAHSEE: Sample questions and other articles of interest can be found at the CDE web site: <http://www.cde.ca.gov/ta/tg/hs/>, and your student's mentor teacher has booklets and study guides available. Drop-in math tutoring and CAHSEE workshops are available at the San Andreas and Amador Resource Centers. Check the newsletter or website for more information.

If you have any questions, ask your mentor teacher, or call Anne Colman (ext. 2252) or Janice (ext. 2245) toll-free at 1-888-MTN-OAKS.

Thank you,

Janice Sewell
Mountain Oaks School Testing Coordinator
