

Mountain Oaks R.O.V. Robotics Competition Team

Would you like to be a member of the award winning Mountain Oaks R.O.V. Robotics Competition Team?

If you're in grades 5 – 12, you're interested in working as a part of a team to compete in Monterey in May, you're motivated and willing to work hard...this might be for you! Signup sheets are available at all three sites

The following mandatory meetings will take place at the San **Andreas Site**:

December 6, 2011: 2:00 -3:30

The first part of this meeting is mandatory for parents as I will be covering the requirements and time commitment of being a member of this team.

I will be giving an overview of the competition, structures of an R.O.V. as well as the 8 components of R.O.V design. Students will form a Ranger team and one or more Scout teams.

December 13, 2011: 2:00 -3:30

Students will design their R.O.V. based on this year's missions. We will be considering the structure of the R.O.V. and brainstorm on what tools will need to be designed to accomplish the missions.

The following meetings will take place Mondays from 12 – 3 p.m. at the San Joaquin County Office of Education in Stockton:

January 9

January 23

January 30

February 6

February 27

March 5

March 12

March 19

April 2

April 9

April 16

April 23

April 30

May7

Additional times may be scheduled as needed to prepare for the competitions. The competition will take place on May 12th in Monterey.
