

Nature Bowl

Grades: 3-6

When/Where: Tuesdays 2:30-4 in Blue Oak

Start Date: February 4th

Competition: April 24th

Nature Bowl is an annual, science-based educational program for 3rd through 6th graders. Through games, problems, puzzles, and exploration, students gain ecological knowledge and conservation literacy. Teamwork and creativity are encouraged as students rotate through stations in a friendly, educational competition. Ms. Kayle will be holding workshops prepare the teams for the competition in April. During the class we will be explore the environment at school, playing games they will participate in at Nature Bowl, learning key science vocabulary, and taking mini field trips to hiking trails in Angels Camp, San Andreas, and Valley Springs.
