

Mountain Oaks Annual Share Day

Have you signed up to join in the fun?

Traditionally Mountain Oaks students have gathered each year in a school-wide *Show and Tell* to check out each other's interests and study projects. Being home-schooled can get lonely when you've learned something new or developed a talent to a new level and lack an audience to share it with. As home-schoolers we might make something or go someplace interesting and want to show what we've done or seen but don't have a class to report on it to. Here is a gathering of supportive and encouraging folks that want to learn from what you are excited about!

Sign up in the library as soon as you can to join us on Wednesday, February 27 at 1pm in the gym to show or tell about whatever you'd like. You can sing, dance, rap or do an impersonation. Maybe you would like to show pictures, video or equipment from a hobby or area of interest that you have. Everyone is encouraged to participate by performing or displaying something that you wish to show off. Getting signed up early will help the MC introduce you and have the needed materials together to highlight what you are showing or telling about.

If you don't wish to perform or display something, please come and support the people who do on Wednesday, February 27 at 1pm in the gym.
